

Poggio alle Monache

CORALE

TOSCANA SYRAH

Indicazione Geografica Tipica

A fascinating and complex wine with wildberry, black pepper and powder flower hints. It's rich and full of energy at the first sip. It combines perfectly with meat, particularly with wild game.

Grape variety

Syrah 100%

Production area: Chiusure, Asciano (SI), about 475 above sea level. Terrain composition: Tuff, clays, marl sands, stone chippings

Grape picking time

Second decade of September

Vinification

Spontaneous fermentation at controlled temperature, maceration about 20 days

Aging

In new cement tonneaux, where the malolactic fermentation occurs; bottled for at least 4 months

Taste notes

Colour

Intense purplish red with garnet reflexes

Scent

Sharp hints of black pepper and morello cherry strengthened by spicy hints

Taste

A deep tannic texture accompanies the first sip that ends with great softness and balance

Alcohol content

14,5 %
